

Walter L. Fox Post No. 2

835 BAY ROAD

DOVER, DELAWARE 19901

Greetings!

Walter L. Fox Post 2, The American Legion, is proud to be the sponsor of the Independence Day parade in Dover on the Fourth of July and **WE ARE INVITING YOU TO PARTICIPATE**. The city of Dover is working with us to make this parade a success.

The parade's theme will, of course, be patriotic and all participants are asked to incorporate this theme in their entries. Examples from past parades are patriotic dress, carrying of flags and singing or playing patriotic songs or music, anything to proudly show your patriotism. Your group may walk, ride, and bring a float or any combination of the above. Creativity makes parades interesting and successful.

The parade will form on Pennsylvania Avenue in Dover and march north to Hazel Street, west to State Street and then south on State Street ending at the "Green". Line up will begin between 5 and 5:30 PM. The step off time will be promptly at 6PM. The parade **MUST** conclude prior to 7:00 PM, which is when the City of Dover starts their evening program.

After the Parade, W. L. Fox Post 2 will treat all participants to a cookout at the American Legion Pavilion. We would appreciate it if you can **PLEASE** notify us even if you should choose not to participate. This may be done by return mail using the enclosed form or by notifying the American Legion by calling 674-3922

This is the tenth year of the Independence Day parade, and due to the wave of patriotism that has swept our nation; the American Legion expects an immense turnout. Please submit your application as early as possible. We must have your entry form in our hands no later than Monday, 9 June 2008. This is to establish your placement in the parade line up. It is anticipated that you will be notified, prior to the parade just what number is assigned to your entry. All late entries, and those that appear on the day of the parade, without prior notification, will be placed at the end of the parade.

Donald E. White Jr.
