

PROPOSED ORDINANCE #2024-02

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF DOVER, IN COUNCIL MET:

That Chapter 106 – Traffic and Vehicles, Article III – Stopping, Standing and Parking, Section 106-136. On-street disabled parking be amended by inserting the text indicated in bold, blue, italics and deleting the text indicated in red strikeout as follows:

Sec. 106-136. - On-street disabled parking

On-street disabled parking spaces shall be provided in accordance with the following regulations:

- (1) ANSI. Requirements of the American National Standards Institute (ANSI) for Passenger Loading Zones are to be met.
- (2) Signs, markings. The city will provide necessary signs and markings, including installation at the city's cost.
- (3) Curb ramp. If a new curb ramp is required to provide access from the road to the sidewalk, the party making the request shall provide labor and materials to complete the work. All costs of the ramp installation will be the responsibility of the party making the request. All work shall be done in accordance with city standards.
- (4) Private property. All work on private property will be the responsibility of the property owner.
- (5) State roads. On state-maintained roads, approval for any required curb depression must be obtained from the department of transportation.
- (6) On-site spaces. On-street disabled parking spaces shall not be provided in lieu of any required on-site disabled spaces.
- (7) No parking space on public property shall be set aside, identified, or otherwise reserved for use by a handicapped or disabled City resident who has available for his/her use a driveway, parking pad, or other type of off-street parking space or private garage, on the premises of his/her residence or within 200 feet of his/her residence that provides at least the same proximity for such resident to his/her residence as the proposed parking space on public property would provide. Proof of two current department of motor vehicles disabled parking permits is required. Failure of an applicant to disclose the foregoing information to the Public Works ADA Coordinator shall constitute grounds for disapproval or nonrenewal of reserved parking spaces on public property. This provision also applies to all renewal applications.

(Code 1981, § 13-41; Ord. of 9-23-1991)

ADOPTED: *

SYNOPSIS

This proposed amendment would prohibit allowing a parking space on public property to be set aside, identified, or otherwise reserved for use by a handicapped or disabled City resident who has available for his/her use a driveway, parking pad, or other type of off-street parking space or private garage, on the premises of his/her residence or within 200 feet of his/her residence that provides at least the same proximity for such resident to his/her residence as the proposed parking space on public property would provide.
