The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage you can visit [www.highmarkbcbsde.com](http://www.highmarkbcbsde.com) or call **1-844-459-6452**. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms see the Glossary. Important Questions	Answers	Why this Matters:
<b>What is the overall deductible?</b>	Network provider: <b>\$0</b> ; Out-of-Network provider: <b>\$300</b> individual/ <b>\$600</b> family.	Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
<b>Are there services covered before you meet your deductible?</b>	Yes. <u>Out-of-network</u> anesthesia services covered in- <u>network</u> at <u>network</u> facilities, emergency ambulance, emergency paramedic and emergency physician services are covered before you meet your <u>out-of-network deductible</u> .	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount, but a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers <u>preventive services</u> , without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other deductibles for specific services?</b>	No.	You don't have to meet <u>deductibles</u> for specific services.
<b>What is the out-of-pocket limit for this plan?</b>	Network provider Medical: <b>\$4,500</b> individual/ <b>\$9,000</b> family; Network provider Prescription Drug: <b>\$2,100</b> individual/ <b>\$4,200</b> family. Out-of-Network provider Medical: <b>\$7,500</b> individual/ <b>\$15,000</b> family; Out-of-Network provider Prescription Drug: Not Applicable	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
<b>What is not included in the out-of-pocket limit?</b>	<u>Premiums</u> , <u>balance billing</u> charges, health care this <u>plan</u> does not cover, <u>copayments</u> and <u>coinsurance</u> on certain services	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

	and penalties for failure to obtain preauthorization.	
<b>Will you pay less if you use a <u>network provider</u>?</b>	Yes. See <a href="http://www.highmarkbcbsde.com">www.highmarkbcbsde.com</a> , or call 1-844-459-6452 for a list of <u>network providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
<b>Do you need a referral to see a <u>specialist</u>?</b>	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
