

Outdoor Public Event Permit  
New Application Packet  
Effective 4/25/2023

The City of Dover strives to approve all permits in a timely fashion. In order to do so, all Permit Applications must be completed in full by the Applicant and submitted 30 days prior to the date of the event requested to the Office of Planning & Inspections. This will allow sufficient time for the City to plan staffing and equipment. Please note that an incomplete application will not be accepted.

The Permit Holder is responsible for compliance with requirements of the permit and the City regulations. Any problems encountered with the requirements of the permit application or the Special Event will cause a revocation of the current permit and discontinuance of future permits.

The Point of Contact for all Outdoor Public Event Permits is Niki Arnold. You can contact Niki at 302-736-7010 or [narnold@dover.de.us](mailto:narnold@dover.de.us).  
For City of Dover Parks and Recreation Permits contact Carolyn Courtney at 302-736-7051 or [ccourtney@dover.de.us](mailto:ccourtney@dover.de.us).

Please note, while this is a large packet it was created to cover all types of Outdoor Events. We have included a checklist on page 3 to determine which sections of the permit applies to your event.

All events are approved on a first come, first served basis and with some of the events being a long-standing part of the Dover community. We ask that you are conscientious of those events when scheduling. We can only approve as many events on any one given day that we have the resources to cover and allow. Permits may be denied simply based on manpower and resource allocation.

Wishing you much success with your event.

## Outdoor Public Event Permit

Thank you for choosing the City of Dover for your special event. We want to make sure you have a fun and safe event. Please read the “Outdoor Public Event Requirements” section of the application carefully as this will guide you on what must be done to properly run your public event and also help you fill out the permit application. Start with page 3 to see which sections you will be required to fill out.

Once you have filled out the application, please return the completed signed application (completely filled out) to the Department of Inspections located at City Hall at 15 Loockerman Plaza, Dover DE 19901. You may also scan and submit the application by email at [permitsandlicenses@dover.de.us](mailto:permitsandlicenses@dover.de.us) or fill out electronically and click submit. ALL attachments must be submitted at the same time. A list of all vendors should be submitted with their appropriate licenses (Dept. of Public Health, Business License, etc..) within seven (7) business days of the event. All vendors will need to have a City of Dover business license unless they are operating under a registered nonprofit, which then the nonprofit's certificate should be attached. A Certificate of Insurance listing the City of Dover as the insured from the Non-Profit and All Vendors is to be submitted within seven (7) business days prior to the event.

The individual signing this permit understands that they are the primary point of contact and are authorized through the organization to do so. All questions by the interested individuals/vendors for your event should go through you and all questions for clarification the city has will be directed to you. The primary point of contact must be available for any required walk through of the event space as well. By Code, the City of Dover Fire Marshal or his or her designee has the authority to close down any event for violations and the Dover Police Department will aid in enforcement.

Completed applications MUST be turned in 30 days prior to the event. Payment is required when the event receives the appropriate approvals from the various City of Dover Departments. The Outdoor Public Event Permit Fee is currently \$25.00 per event (Municipal Code Appendix F – Chapter 46). If you should have any questions, you can contact the City of Dover Inspections Department at (302) 736-7010. We have combined all of our event permits into packet in order to streamline the process. It may seem overwhelming but start on the next page and see which area(s) you need to fill out.

City of Dover properties are smoke free. Smoking is prohibited and fines may be placed on individuals who are caught smoking on any City of Dover property. This includes the parks, outside of city owned buildings, etc. As the individual filing the Outdoor Public Event permit, you understand that it is your responsibility to inform your guests that the areas are smoke free. This will make the event more family friendly and enjoyable for all.

Which sections apply to my public event?

\_\_\_\_\_ Parade/Public Assembly? Complete page 4, if additional information is necessary someone will contact you.

\_\_\_\_\_ Is the event being held on City property (ie: Park), if so please fill out Parks and Rec Permit on pages 18 -19.

\_\_\_\_\_ Is the event a public gathering/community event? (This includes events taking place at schools, churches, carnivals, circuses, 5k's or similar events, music festivals, back to school giveaway events, block party, etc.) Please proceed to pages 5 - 7.

\_\_\_\_\_ Is the event being held on City property? If so, you may be required to include a Certificate of Liability Insurance must be specific to the date of the event. Please refer to Appendix C on page 14 for the guidelines on Certificates of Liability Insurance. Is this a permit for multiple dates? Please make sure any necessary certificates are attached. (Specific to each date of the event). Example on pg. 30.

\_\_\_\_\_ Will there be alcohol available at the event? If yes, you must contact Dover Police Department and they will determine if you must request extra duty police on the forms located on pages 24 - 28. Dover Police Department determines the number of officers needed. This is not the correct form if your event is over 5000 people. If this is the situation, please contact Dover Police Department at 302-736-7100.

\_\_\_\_\_ If you are serving alcohol an ABC license must be obtained. Is an ABC license being obtained for multiple dates? If so, make sure the dates are specified if it's all on one license or submit for separate licenses and attach to your permit. If alcohol is being served outside of the normal scope in the vendor's ABC license, then a letter approving the event scope is to be provided for the event from the ABC. See Appendix B page 13 for contact information for your ABC license. ABC License will need to be off premise license if not being held at holder's location.

\_\_\_\_\_ Is there food being served at the event? This will require approval through the Department of Public Health for all food serving vendors. A copy of your approval from the Department of Health must be attached to the permit. Information to contact the Department of Public Health can be found in Appendix B page 13. If cooking on premises refer to Appendix I on page 15. You will need an off premise license if not being held at holders location.

\_\_\_\_\_ Property owner approval is necessary in the form of a letter submitted from the property owner that includes the date of the event stating that they approve the use of their property for the event.

\_\_\_\_\_ Are city services being requested for this event? If yes, please go to pages 6 – 7. (trash, electric etc.)

\_\_\_\_\_ Do you need an electrical inspection? Appendix A on page 12 has an up to date list of the approved electrical inspection agencies who are recognized by the State and City Fire Marshal. This is for large generators (not portable) if you are unsure if you need on contact the City Fire Marshal at 302-736-4457 for further clarification.

\_\_\_\_\_ Are you requesting a permit to have fireworks/pyrotechnics at your event? Please complete the Fireworks Permit application located on pages 16-17.

\_\_\_\_\_ Will there be camping or amusement rides? Please see additional information in Appendix E on page 22.

\_\_\_\_\_ ALL applicants must initial and sign pages 8, 9 and 10.

APPROVAL: Upon approval of a Special Event Permit the applicant must adhere to all applicable standards and requirements as described by the various City of Dover Departments. Please initial each item after reading to confirm you have read and understand the information provided. If you have any questions, please ask for clarification prior to signing. By signing you agree to enforce the regulations in each section of the Special Public Events Permit.

- SUPERVISION / CONTROL: Special events must be conducted in compliance with current codes as described by the City of Dover and the State of Delaware. Directly following the approved event period, temporary structures and other general amenities utilized for the event must be removed. The area must be cleaned of all trash and related debris and any damage to existing landscape must be properly repaired. \_\_\_\_\_
- ELECTRICAL: Electrical cords should not be located where they would be subject to pedestrian or vehicular traffic. If electrical cords are located where they are subject to pedestrian or vehicular traffic, precautions and protection for the electrical cords must be provided. Electrical work shall comply with the National Electrical Code requirements for outdoor events and performed by a licensed electrical contractor. All temporary generators must receive an electrical inspection prior to the event. See Appendix A on page 12 for approved list of agencies for electrical inspections. \_\_\_\_\_
- SIDEWALKS: Displays located on the sidewalk must be placed so there is adequate space (32-36") for pedestrian traffic on the sidewalk. Please ensure that the event is properly monitored to keep pedestrian traffic off the access drive or roadway adjacent to the sidewalk. \_\_\_\_\_
- PARKING: If parking spaces are utilized for the special event, the remaining number of parking spaces must meet the parking requirements for the uses on the property as specified in the Zoning Ordinance. No drives or maneuvering areas may be utilized unless drives or maneuvering areas are directly adjacent to the approved display or demonstration area, not required for emergency access and not needed to provide proper circulation through the lot. \_\_\_\_\_
- SIGNS: Signs for special events must comply with the Temporary Sign section of the Zoning Ordinance (Article 5 Section 4, 9, D). A permit is required for temporary signs including banners and inflatable signs. No signs may be located in the public right-of-way. The events sign permit is located on page 28. \_\_\_\_\_
- EVENT: Event must be set up per an attached sketch provided to and approved by the City of Dover. \_\_\_\_\_
- TRAFFIC SAFETY: Special events shall not cause undue traffic congestion or accident potential given anticipated attendance and the design of adjacent streets, intersections and traffic controls. All participants must obey pedestrian and vehicular traffic laws. An unobstructed width of no less than 24 feet wide shall be required for emergency access. This width may be reduced with approval from the Fire Marshal. An unobstructed vertical clearance of no less than 13 feet 6 inches must be maintained for emergency vehicle access at all times. Additional access requirements may be enforced based on the event. A Maintenance of Traffic (MOT) plan shall be submitted, reviewed and approved by the Department of Public Works when the event utilizes local roads. DelDOT approval is required when MOT occurs on state roads. \_\_\_\_\_

- TENTS: No parking is allowed within 20 feet of any tent. The area must be clearly identified to indicate no parking. Two exits must be provided within any tent being used to house the public. The exits must be remotely located. Fire extinguishers shall be provided at every exit and/or at a rate of one for every 500 square feet. Large tents require a design submittal showing approximate number of exits, travel paths, layout, fire extinguishers, emergency exit signs and emergency lighting. \_\_\_\_\_
  - Temporary membrane structures (i.e. tents, canopies, air supported or air inflated structures) shall comply with the principal building setbacks for the property and shall not be located within 20 feet of lot lines, buildings, other temporary membrane structures, other tents and canopies, parked vehicles or internal combustion engines (generators). For the purpose of determining required distances, support ropes and guide wires shall be considered as part of the temporary membrane structure, tent or canopy. \_\_\_\_\_
  - Hay, straw, shavings or similar combustible materials shall not be located within any structure containing an assembly occupancy, except the materials necessary for the daily feeding and caring of animals. Sawdust and shavings utilized for a public performance or exhibit shall be prohibited provided the sawdust and shavings are kept damp; however, Fire Marshal approval is required. The area within and adjacent to the tent or air supported structure shall be kept clear of all combustible materials or vegetation that could create a fire hazard within 20 feet from the structure. \_\_\_\_\_
  - Liquid and gas fueled vehicles and equipment used for display within tents, air supported, air inflated or tensioned membrane structures or temporary canopies shall be in accordance with the following 5 requirements; \_\_\_\_\_
    - Batteries shall be disconnected in an appropriate manner.
    - Fueling vehicles or equipment shall not be fueled or defueled within the structure.
    - Fuel in the fuel tank shall not exceed one-quarter of the tank capacity or 5 gallons; whichever is less.
    - Fuel tank openings shall be secured to prevent the escape of fuel vapors.
    - Location of vehicles or equipment shall not obstruct egress.
- When a compressed natural gas (CHG) or liquefied petroleum gas (LPG) powered vehicle is parked inside they shall be in accordance with the following 3 requirements; \_\_\_\_\_
  - The quarter-turn shutoff valve or other shutoff valve on the outlet of the CNG or LP gas container shall be closed and the engine shall be operated until it stops. Valves shall remain closed while the vehicle is in doors.
  - The hot lead of the battery shall be disconnected.
  - Dual-fuel vehicles equipped to operate on gasoline and CHG or LP gas shall comply with this section and the requirements for CHG or LP gas powered vehicles.
- GENERATORS: Generators and other internal combustion power sources shall be separated from tents, air supported, air inflated or tensioned membrane structure, temporary membrane structure or canopies by a minimum of 20 feet and shall be isolated from contact with the public by fencing, enclosures or other approved means. \_\_\_\_\_

- COOKING: All cooking operations will require a minimum of one 5lb ABC Dry Chemical Fire Extinguisher and one 5lb Type K Fire Extinguisher. You may NOT discharge any cooking materials down the storm sewer system. All cooking materials must be properly disposed of, off premises. See Appendix I- Page 15.  
\_\_\_\_\_
- NO SMOKING: Smoking shall not be permitted in temporary membrane structures, tents and canopies or in adjacent areas where combustible materials are stored or used. No smoking signs shall be conspicuously posted. Smoking is prohibited on ALL City of Dover property. \_\_\_\_\_
- OPEN / EXPOSED FLAMES: Open flames or other devices emitting flame, fire, heat or any flammable or combustible liquids, gas, charcoal or other cooking device or any other unapproved device shall not be permitted inside or located within 20 feet of the tent, air supported, air inflated or tensioned membrane structures while open to the public unless approved by the Code Official. Any tanks used for cooking must be properly secured. Cooking tents need to be 20 feet from the event tent (a hallway may connect the two)  
\_\_\_\_\_
- FIREWORKS: Fireworks are not permitted under Delaware Law. In order to have a fireworks display, please fill out the Fireworks Display Permit section of this permit. \_\_\_\_\_
- STRUCTURES: The design and construction of the fabric envelope, the method of anchoring and inflation systems for air supported and air inflated structures shall be in accordance with the current edition of related Building Codes for the City of Dover. \_\_\_\_\_
- Inspections may be required prior to the event approval. \_\_\_\_\_
- The permitted event may be stopped at any time to include revoking the Outdoor Public Event Permit for any violation of the State, City or any other associated codes due to public safety, public nuisance or if the event is not being conducted in accordance with the issued permit. \_\_\_\_\_

### POLICE DEPARTMENT NOTICE TO CUSTOMERS

The officers are at all times subject to the policies and procedures of the City of Dover and the rules and regulations governing employees of the Dover Police Department (DPD). A customer has no authority over police personnel and is restricted to providing only a general assignment of duties to be performed by the officer. Those duties never supersede DPD policy or procedures and employers of the extra duty officers should so be advised. Extra duty officers remain under the exclusive control of the department and accountable for strict adherence to departmental rules and regulations. Any conflicting rules of employers of extra duty officers will be disregarded. The officer shall refuse to perform any duties deemed to be in conflict with the guidelines established by the Dover Police Department. As determined by the Department, officers may be recalled from extra duty to on-duty status.

This permit is for Law Enforcement work only and does not exempt customers from obtaining other necessary permits for this event.

The City of Dover Police Department is NOT obligated to provide extra duty services. A permit will not be issued to any person, firm, or organization whose offices, members, business, or operations are questionable or for any event of a potentially compromising nature. **The billing rates quoted are subject to change based on Cost of Service approved rates at the time the service is rendered.**

Dover Police Department officers are NOT permitted to receive cash from customers for any reason whatsoever.

The undersigned customer agrees, individually and on behalf of the named applicant, to promptly pay for extra duty services rendered. Further, the undersigned agrees, individually and on behalf of the named applicant to pay all costs, expenses and attorney's fees incurred in the collection of any sums due hereunder.

## APPENDIX I

### Mobile and Temporary Cooking Operations

State of Delaware Public Health license required and a City of Dover license required.

Open flames and other devices emitting flame, fire, heat, or any flammable or combustible liquids, gas, charcoal, or other cooking device are not permitted inside of or within 10 feet of a vehicle, tent, structures, and combustible materials and shall be isolated from contact with the public by fencing, enclosures, or other approved means. If a pop up style tent is requested to be utilized, it must be flame retardant and approved by the Fire Marshal. ALL cooking materials must be disposed of properly, you may not discharge any cooking materials down the storm sewer system.

Propane Systems: The main gas shutoff valves shall be readily accessible. Ensure that the portable containers are in the upright position and secured to prevent tipping over. Inspect gas systems prior to each use. Perform leak test on all connections affected by an exchangeable container. Close gas supply valves when equipment is not in use.

Solid Fuel: Is not to be stored above any heat producing appliance or vent. Is not to be stored closer than 3 feet to any cooking appliance. Is not to be stored near any combustible flammable liquids, ignition sources, chemicals, and food supplies and packaged goods. Fuel is not to be stored in the path of ash removal or near removed ashes. Removed ashes, cinders, and other fire debris shall be placed in a closed metal container at least 3 feet away from any cooking appliance. Ash, cinders, and other fire debris should be removed from the firebox at regular intervals and at least once a day.

Refueling should be conducted during non-business hours.

Must have at least one 5lb ABC Dry Chemical fire extinguisher and one 5lb Type K Fire Extinguisher. Ensure workers have been trained to use portable fire extinguishers, proper method for shutting off fuel source, proper procedure to notify the local fire department, and the proper procedure for how to perform simple leak tests on gas containers.

Cooking equipment cannot be left unattended while it is still hot.

Keep all cooking equipment clean and regularly remove grease, grease cannot be dumped down any sewer or drain.

If there is a generator, it must be separated from vehicles, tents, structures, and combustible materials by 10 feet and shall be isolated from contact with the public by fencing, enclosures, or other approved means. Ensure that the engine driven source of power is shut down and is cool to the touch prior to refueling from a portable container. An electrical inspection may be required depending on the size of the generator. Ensure that the exhaust is 10 feet away in all directions from openings and air intakes, is 10 feet away from every means of egress, directed away from all buildings and other cooking vehicles and operations. All electrical appliances, fixtures, equipment, and wiring must comply with NFPA 70.

All Fire Lanes, Fire Department Connections, and Fire Hydrants must remain clear.
